Course Offerings

The courses we offer are tailored to your specific goals, whether for academics, professional advancement, or immigration.

- **OET Medicine:** Similar to OET Nursing, but designed for doctors, assesses their ability to communicate effectively in medical contexts and meet language requirements for practice.
- **OET Nursing:** The Occupational English Test tailored for nurses, focusing on the language used in healthcare settings to ensure effective communication in professional environments.
- **General English:** These courses aim to improve overall English proficiency in speaking, listening, reading, and writing, catering to various levels for daily communication and work.
- **IELTS General:** Designed for those migrating to English-speaking countries for work or residency, this test assesses practical, everyday English skills.
- **IELTS Academic:** Aimed at individuals applying for higher education or professional registration, this version evaluates English proficiency in academic contexts.
- **TOEFL:** The Test of English as a Foreign Language assesses non-native speakers' ability to use English in academic settings, primarily for studying in the US and Canada.
- **PTE Academic:** A computer-based exam testing English skills for academic purposes. Known for its fast results, it is widely accepted for university admissions and immigration.

Advance Your Career with OET Preparation

Are you a healthcare professional looking to work or study in an English-speaking country?

Mastering the language is the first step.

Mediversity online learning platform offers both General English and tailored OET (Occupational English Test) preparation courses, specifically designed to help healthcare professionals, such as nurses, doctors, and pharmacists, enhance their English proficiency and advance their careers.

The Occupational English Test (OET) is internationally recognised, opening doors for healthcare professionals in countries like the UK, US, Australia, New Zealand, and Ireland.

At Mediversity, our OET Preparation Platform offers comprehensive resources to ensure your success.

Our courses are led by native-speaking linguists and cover all sections of the OET exam - Listening, Reading, Writing, and Speaking - to fully prepare you for global opportunities in healthcare.

Explore Our OET Packages

We offer tailored learning and exam preparation packages for diverse client needs, comprehensively covering everything from professional English proficiency enhancement to advanced exam preparation. Whether you are preparing for a specific exam, refining professional skills, or aiming to improve communication abilities, our courses are flexibly customised to optimally support your goals.
